Called to Order by: Steve Kramer – No quorum present for the second month in a row.

Time: 4:06 p.m.

II. Review and approval of meeting minutes of December 2019, February 2020: No Quorum, No vote.

III. Agenda Items

1. Medical Malpractice Emergency Care Instructions – Public Comments

Alicia discusses the comments to the instruction. The main comment on the merits was that the committee should consider splitting up negligence/causation from damages since the burden of proof shifts. PJ indicates that since the purpose of the instruction is to explain that there is a shifting burden of proof it might make it even more confusing if the instruction is split.

Discussion held regarding changing it from “amount and extent” to “amount” of damages.
