POLICY DISCUSSION

Amicus Curiae Participation

- The Board’s Amicus Curiae Committee sun-setted several years ago due to lack of requests for the Bar’s participation. Due to the pending Fleck case, it was determined that a review of the Amicus Policy adopted by the Board in June, 2003 should be reviewed.
- Also for discussion is whether the Bar should consider joining an Amicus, if asked, in the Fleck case, or whether the Board would file its own Amicus.
• A small Amicus Brief Working Group will be forming. If interested the Board is to let President Willis or CEO/ED John Phelps know.
• General Counsel Lisa Panahi reviewed the proposed changes and covered the substantive changes as follows:
  o Changed reference from Scope and Operations to Executive Council
  o With Public Meetings now the approval of filing an Amicus Brief must be approved by the full Board of Governors.
  o President may appoint a working group to review amicus applications and make recommendations to the Board.
  o Removed prohibition of paying legal fees to outside counsel to assist with drafting the Amicus Brief
  o Removed language that created strict deadlines.
  o Changed process – amicus applications would go through General Counsel’s office, rather than Chief Bar Counsel.
• Monday, September 24th the Court will be considering the Fleck petition.
• October 19 Board agenda will have the final Amicus Curiae Policy for vote.
• By general consensus the Board agreed to form an Amicus Brief Working Group.
